and

Mary Ida (m. name) Whitlock Turnage

Mary Ida is the grand daughter of the
preaching John D. Whitlock.

Those are my maternal grand parents.
Their family records are included here.

Mary Ward Campbell.

The contents of the following was researched 1978 thru 1993 by myself, Mary Ward Daniel Campbell & son, Joey Allard Daniel. In 1998 the last of my 7 children moved away from home (6 living in other states), leaving me alone & widowed. At times thru the years my son, Joey, & I were fascinated with the search for & collection of our ancestors records. This included several family branches. Left alone & spring house-cleaning, I re-discovered a filing cabinet filled with stacks of family data Joey & I had amassed. Sadly, the majority of this was totally unorganized. Knowing that many of our kin also are interested in preserving their ancestors history, I decided this to be the perfect time to organize & release at least a part of our collection. Many SOURCES of information are quoted in our ancestors files here- showing an effort for accuracy. Included are a few of our zeroxed copies of documents that are of particular interest. In the records here of our living generations, documentation is very rarely given. Their records are based on whatever data the individuals themselves offered or their kin.

Any corrections or additions are welcome.

Genealogy is as old as civilized man. The Mormons probably have the most extensive records of the American families. However, the most beautiful & well preserved genealogy is found in the Holy Bible.

Asa Whitlock 1 indicates that Asa is counted as generation 1 because we have traced back no further at this time. His children are counted as generation 2. Each succeeding generation is numbered accordingly.

Example-

John Lee Whitlock 2 indicates the second generation- counting Asa Whitlock 1 as the first. Expect to find ALL MATERIAL on the decedents of John Lee Whitlock 2 BEFORE you see the next heading with a 2 in it.

No others listed in this Census. Apparently all of the children had grown up and moved away from home. Later records here show Asa & Nancy's children as adults still living in Lauderdale Co., Miss.

Though, according to the preceeding 1870 Census, Asa & Nancy were both born in S. C., other official documents tell us they had children born in Ala. where they apparently lived for a time, later settling in Meridian, Miss., Lauderdale Co.

The following book can be located in the Lauderdale Co. Dept of Archives & History, Inc., Meridian, Miss.

The above land data tells us that in 1858 Asa Whitlock & his family had moved to Lauderdale Co., Miss. & that he was a land owner. Even though he was paying taxes, I have not been able as yet to locate him & his family in the U. S. Census of Lauderdale Co., Miss., in 1860 but they are listed in the 1870 Census shown here.

In this 1880 Census report, V. F. Hawkins was listed as the head of the household. Members of his household were his wife, Celia E. (MN) WHITLOCK Matlock Hawkins, and 4 of their sons. V. F. Hawkins had 2 step-daughters listed. These were Celia's daughters by her first husband. Also, recorded as a member of his household in this Census is his MOTHER-IN-LAW, NANCY (Todd) WHITLOCK. Asa Whitlock had apparently died & Nancy, his elderly widow, is found living in the household of her dau Celia with other family members.

We find that Celia's brother, John Lee Whitlock Sr. & his family were nearby neighbors & are listed in the same U. S. Census Miss., 1880, Lauderdale Co. John Sr. & his family are found in DWELLING #454, FAMILY #475, near the Hawkins & Nancy Whitlock, his Mother.

Neighbors to John, Mary Ann, & William are Arthur and Martha Gay, the parents of Mary Ann. (Arthur Gay- Same Census- Dwelling 1001, Family 979.) During the War Between the States, John L. Whitlock enlisted in the Confederate States Army at Lauderdale Co., Miss., May of 1862. He served with Co. E. 7th Batt. Miss. Inf. He was captured & held prisoner at Camp Chase, Columbus, Ohio for abt 5 mos., discharged in 1865 at wars end. John & Mary Ann had 13 children but only 9 living in 1900. In the U. S. Most of the official records of John Lee Whitlock Sr. simply
give his name as John Whitlock. As an older man, he applied
for & received his Conf. States Army (War Between the States)
pension. He gave his name as John Whitlock SENIOR at that time.
His son, John Jr's middle name is listed as John LEE Whitlock
in the U. S. Census of Lauderdale Co., Miss. 1900. My Great
Uncle, Johnnie Mack Whitlock, confirmed the fact that his
father's name was John Lee Whitlock Jr. who died when my Great
Uncle was 37. His Grandfather was John Lee Whitlock Sr. who
died when my Great Uncle was 16 & he well remembered both.
Johnnie Mack died in 1981 in Meridian, Miss. My special thanks
also to him for allowing me to copy some of his pictures of
his Father, his Grandfather, & their families & for sharing
his knowledge of the Whitlock family tree.

"Luke" & Mary Ida lived in Meehan, Miss. The Mother of 3 children, Mary Ida died at 28 yrs. of age. "Luke" was left a widower with 3 children, all under 9 yrs of age, his Mother, Susan, aged 65 & a brother "Bud" (Ernest) in his household. In 1921, "Lukes" sister, Savannah died, leaving 4 small children with her husb., William Oscar Moody. In Mar of 1925, William Oscar died & the 4 children joined the household of "Luke" Turnage. "Luke", my Papaw, always well took care of his own. On Sept 1, 1926, in Chunky, Miss., Newton Co. "Luke" added yet another member to his household of 7 young children, his Mother & bro. She was Martha Lisonbee "Mattie", his 2nd wife. I remember "Mo Mattie" with sincere affection & kindness. As her Granddaughter, I think of Mary Ida with regret that I never shared a part of her life. Often when I look at "Luke" & Mary Ida's (My maternal Grandparents) wedding picture I see my children in her face. Our "Whitlock" heritage.
